Breakthrough Pricing
from start to finish

Production Specs

Every full service webcasting package includes both comprehensive **on-site production** and complete access to **Total Asset Manager**, Total Webcasting's content management and publishing system.

On-site production with the **TW Mediacart™**, our proprietary portable production system, includes:

- ▶ Multiple robotic HD cameras
- ▶ On-screen graphics
- ▶ Picture-in-a-picture
- ▶ Direct PowerPoint and media embedding
- ▶ High quality audio mixing
- ▶ Full HD recording
- ▶ Minimal setup and breakdown time
